APR for Balance Transfers and Cash Advances	18.49% This APR will vary with the market based on the Prime Rate. ^a					
Penalty APR and When it Applies	21.00% - This APR will vary with the market based on the Prime Rate. This APR may be applied if you allow your Account to become 60 days past due. How Long Will the Penalty Apply? If your APR is increased for the reason stated above, the Penalty APR will apply until you make three consecutive minimum payments when due.					
Paying Interest	Your due date is at least 25 days after the close of each billing cycle. We will not charge you any interest on purchases if you pay your entire balance by the due date each month. We will begin charging interest on cash advances and balance transfers on the transaction date.					
For Credit Card Tips from the Consumer Financial Protection Bureau	To learn more about factors to consider when applying for or using a credit card, visit the websit of the Consumer Financial Protection Bureau at http://www.consumerfinance.gov/learnmore/ .					

Fees						
Annual Fee	None	\$49 per Account				
Transaction Fees:						
Balance Transfer and Cash Advance	Either \$10 or 3 % of the amount of each balance transfer or cash advance, whichever is greater.					
International Transaction	2% of each transaction in U.S. dollars.					
Penalty Fees:						
Late Payment	Up to \$25					
Returned Payment	Up to \$25					

How We Will Calculate Your Balance: We use a method called "average daily balance (including new purchases)." Seeyour account agreement for more details.

Billing RightsInformation on your rights to dispute transactions and how to exercise those rights is provided in the account agreement that will be provided to you begin using your new card.

Prime Rate: After the introductory rate, the APR will vary based on changes in the Index, the Prime Rate (the base rate on corporate loans posted by at least 70% of the ten largest U.S. banks) published in the *Wall Street Journal*. The Index will be adjusted on the 25th day of each month or the business day preceding the 25th day if that day falls on a weekend or a holiday recognized by the Board of Governors of the Federal Reserve System. Changes in the Index will take effect beginning with the first billing cycle in the month following a change in the Index. Increases or decreases in the Index will cause the APR and periodic rate to fluctuate, resulting in increased or decreased Interest Charges on the Account. As of December 23, 2022, the Index was 7.50%.

^a We add 10.99% to the Prime Rate to determine the APR for Purchases, Balance Transfers, and Cash Advances. The Account will never have an APR over 21%.

If at least one box at the top of the application is not checked, or, if too many boxes are inadvertently checked, you will be deemed to have selected the Standard Card with the individual billing option.
